- Character Property

A very grand town house in the popular town of Pego. The property is built over 3 levels and is of ample proportions. Entering through the main doors to a large open area with amazing decorative floor tiles, the first bedroom is also on this floor. The dining area and kitchen are up a few steps. The dining room has an open fire and the kitchen is of a good size but in need of modernisation. There is also a handy guest w.c. and a useful utility room. Doors from this level lead to an open terrace. On the first floor there are two spacious double bedrooms with built in storage, a family bathroom. A further large bedroom on this floor houses the sauna. There are three more large rooms on the top floor which need completing. With a few improvements this house could be very special indeed.
