An enormous Town House in the heart of the popular market town of Pego to renovate. This 3 Storey dwelling is large enough to make a small B & B or a spacious home for a really large family, or someone who enjoys large rooms and space. There is plenty of outside area as the open courtyard on the ground floor is also added to by the further two terraces on the next two levels. Does need work, but is priced accordingly and an extremely good investment for a builder or someone who is looking to put their own stamp on a traditional Town House in Spain.
